

### **Author Declaration**

#### **Authors who publish with *ITERATIONS* agree to the following terms:**

- Confirm that the article has not been previously published or in print or peer review with another journal. If the article was previously published in conference proceedings, we will require evidence showing that the article has had significant amendments.
- Authors retain copyright and grant *ITERATIONS* right of first publication with the work simultaneously licensed under a Creative Commons Attribution License. This licence allows others to share the work with an acknowledgement of the article's authorship and initial publication in *ITERATIONS*.
- Authors are able to enter into separate, additional contractual arrangements for the non-exclusive distribution of the published version of the article (e.g. post it to an institutional repository or publish it in a book), with an acknowledgement of its initial publication in *ITERATIONS*.
- Authors are permitted and encouraged to post their work online (e.g. in institutional repositories or on their website) prior to and during the submission process, as it can lead to productive exchanges, as well as earlier and greater citation of published work.
- I hereby declare, that I/we have obtained permission to use all figures, tables, photos or images quoted on my article submitted to the *ITERATIONS*, from their respective sources.
- I also declare that I am sole responsible for any possible infringements of copyright regulations and that *ITERATIONS*, will not be held liable nor will it handle any possible accusations of copyrights infringements. I/We as the author (s) are to be held liable and will bear any costs related to legal disputes which derive from the non-authorized use of the copyrighted material.
- *ITERATIONS* reserve the right to make the printed article available publically via the [www.iterations.ie](http://www.iterations.ie) website or similar platforms in the future.
